产品优势 PRODUCT ADVANTAGES

1. 可在泥泞、结冰路面上运输。
 2. 自卸设计，履带式行走，大大扩展了使用能力。
 3. 尺寸可根据项目定制。
 4. 承载能力强，爬坡性能优良，操作简单，维修方便。
1. Can be transported on muddy and icy roads.
 2. Self-unloading design, crawler-type walking, greatly expand the use capacity.
 3. The size can be customized according to the project.
 4. Strong bearing capacity, excellent climbing performance, simple operation and convenient maintenance.
